When you first access this guidebook on your phone, you will notice a prompt to add it to your home screen. This is highly recommended. It's faster, easier to access, and available if you are ever offline without reception. If you didn't see the prompt to add it to your phone, [this short overview](#) should help.

Print or Save a PDF

If you would like to print certain pages ahead of traveling, or if you'd like to save a PDF to your device, just tap the print button above. It won't print right away but will create a PDF that you can save or print.

Check-In Information

Address to the Home:

1727 S. Balsam Lake Lane
Balsam Lake WI 54810

TIP: Use the "MAP" button on the bottom right to begin navigation on your phone.

You will receive a message 24 hours prior to your stay containing instructions on how to enter the home. You may **check-in at 4:00 PM** on the date of your stay.

Early check-in is not allowed without prior approval. Guest shall incur a \$1,000 fine for early arrival.

If you are arriving early, have a look at the [Things to Do](#) section. We've listed lots of things to do around the area - it's time for you to kick back and start relaxing!

St. Croix Regional Medical Center

St. Croix Health is a non-profit healthcare system based in St. Croix Falls, WI. The roots of St. Croix Health are traced back to Dr. Jake Riegel, a military doctor during World War I, who returned to St. Croix Falls in 1919 and opened the first hospital of the St. Croix Valley in his wife's family home, the Baker House. For over 100 years, St. Croix Health has been serving the healthcare needs of the greater St. Croix Valley area. Today, St. Croix Health offers the services of 100+ providers and 20 specialties with five community clinics all supported by a critical access hospital on the main campus in St. Croix Falls.

St. Croix Health offers clinic locations in Minnesota and Wisconsin. In Minnesota, there is a clinic located in Lindstrom. In Wisconsin, St. Croix Health clinics are located in St. Croix Falls, Balsam Lake (Unity clinic), Frederic, and Webster. All five clinics offer both primary care and specialty care needs for the communities they serve. In addition to those services, St. Croix Health's Webster location offers a dental clinic.

As a healthcare system, St. Croix Health works to fulfill the healthcare needs of the communities it serves. Living and working through St. Croix Health's Mission, Vision, and Values are a priority and focus on all the campuses as we strive to exceed expectations.

Hopsack

Hi there!

We're a brand new shop in small town, western Wisconsin. Here's our story:

After years of spending our summers on beautiful Balsam Lake without retail or a local cup of coffee, we decided to take on the challenge and open a market ourselves. We love this community and want to create a shop that provides beautifully curated gifts and a place for the community to come together. We found a building, wonderful local people to help and now we need you! Your support will help us to finish this small town store and make it a success for everyone. At HopSack, we're more than just a gift shop. We're a community.

Sanitization of Community Kitchenware

Disclosure

The Polk County Health Department requires a certain process be followed when sanitizing kitchenware accessible in a rental property. They require this process be completed to sanitize every piece of kitchenware after the departure of every guest.

We aim to provide a fully equipped kitchen to make our guest's stay the most enjoyable. However, because the sanitation process is so meticulous and

East Balsam Lake Resort

1727 S. Balsam Lake Lane, Balsam Lake, WI 54810 US

651-383-8949 | team@classyrusticrentals.com

would require the cleaning of over 500 kitchen items, we have chosen to place all kitchenware within locked cabinets. Should you choose to waive your right to kitchenware sanitized following the Polk County Health Department's requirements, we can provide access to a key that unlocks the cabinets housing the kitchenware.

Please be advised that all kitchenware within locked cabinets is believed to have been cleaned to normal household standards. Prior to checkout, each tenant is required to clean all used kitchenware before returning it to the locked cabinets. As such, it is believed that this kitchenware has been cleaned to normal household standards. Any kitchenware left out by tenants at their time of departure has been cleaned and sanitized by our cleaning crew to normal household standards.

Let it be known that the dishwasher does sanitize at the Health Department's required 165-degree water temperature.

Agreement

By choosing to unlock any or all cabinets containing kitchenware, you acknowledge that you are waiving your entire party's right to kitchenware sanitized following the Polk County Health Department's requirements. You also acknowledge that your party waives its right to file a complaint about said kitchenware. Your party further agrees to sanitize, to the best of its ability, any and all kitchenware soiled during your stay.

Access

Locate the lockbox to the right of the refrigerator. Use code 1776 to open the lockbox. To unlock one or more cabinets, place the white magnetic key over the black sticker dot on each locked cabinet/drawer (most are located near the knob/pull). While holding the magnetic key in place, simply open the respective cabinet/drawer.

IMPORTANT:

If you wish to keep any or all cabinets unlocked during your stay, simply toggle the lock's switch on the backside of the cabinet door or drawer front. This will allow free access to the respective cabinet. Should you choose not to do this, the cabinet will automatically re-lock as soon as it is closed. When finished with the key, please secure it back in the lockbox.

Bon Appetit!

Towels, Linens and Blankets

Housekeeping:

There is no daily housekeeping service. While linens and bath towels are included in the unit, there is daily house cleaning service.

Beach Towels:

We provide beach towels for use at the pool, hot tubs, and lake. White bath towels are not permitted outside.

Trash

What To Do

Please place all trash in outdoor trash dumpster during throughout stay and upon departure.

Water and Septic

The Premises has a well and septic system. The septic system is very effective; however, it will clog up if improper material is flushed.

DO NOT FLUSH anything other than toilet paper.

No feminine products should be flushed at any time. If it is found that material other than toilet paper has been flushed, and backup or damage occur, ***Guest shall be liable for all charges relating to the incident, including but not limited to, the loss of rental income from subsequent rentals.***

Catering

Mindful Fork Catering

[Mindful Fork Catering | River Falls, WI](#)

Hi! I am Angie.

The chef & catering guru behind Mindful Fork Catering.

I have always had a passion for cooking and creating delicious dishes. From a young age, I was fascinated by how simple ingredients could be combined and transformed into something entirely new.

East Balsam Lake Resort

1727 S. Balsam Lake Lane, Balsam Lake, WI 54810 US

651-383-8949 | team@classyrusticrentals.com

Food is a universal experience that connects us all. It's incredible how asking "What's for dinner?" can bring people together.

Your fresh, made-to-order meals are my passion.

As for me, I love providing fresh, made-to-order meals for each client. Planning lunch for groups should be stress-free and enjoyable, and as someone who loves to eat, I'm happy to take on the task. The best food is often simple and locally sourced. I started my career at a family-owned pizza restaurant in Baldwin, WI, serving our community and surrounding areas.

Eventually, my passion for farm-to-fork cuisine and local ingredients led me to become a private chef in 2009 and transition to catering.

Now I serve Western, WI, with my catering company, Mindful Fork.

At Mindful Fork, we specialize in providing stress-free event planning and catering services with a keen eye for detail. Our menu options include on-site catering packages, boxed lunches, a buffet, and ready-to-serve options. With years of experience as a chef, I have honed my skills through education, training, and hands-on experience in top-rated restaurants.

I take pride in creating meals that are not only delectable but also visually appealing, believing that food should be a feast for all senses. Therefore, I carefully source the freshest, highest-quality ingredients and incorporate innovative and classic techniques and flavors worldwide. As a chef, I always strive to learn and grow and am eager to explore new culinary horizons.

Thank you for taking the time to learn more about me and my work as a chef. I look forward to creating something special for you soon!

with Chef Shack in Mpls and Bay City to running the kitchen at Farm Table in Amery.

Marlee comes from a farming and cheese family and paired with her amazing sourdough baking skills, it's a match made in heaven. She brings 9 years of experience, from cooking at Rainbow Chinese, baking with Heritage breads, catering at Quince hospitality in Mpls, as well as baking and running the FOH at Farm Table in Amery.

We are THRILLED to bring you all tasty food that follows the seasons and utilises the amazing bounty of ingredients that our local farmers are producing. We believe food is beautiful, and an experience, and it's our pleasure to honor and elevate gorgeous ingredients to create food that leaves you satisfied.

Lunch & Dinner

Indianhead Supper Club

The land where Indianhead Lodge now stands was once the home of Chief Archie Mosay and his Ojibway Indian family. Born in 1908, Chief Mosay lived in wigwams during the summer and teepees in the winter. The families had to walk to St. Croix Falls for groceries as there were no stores nearby. The Millpond, which is now part of Balsam Lake, was initially a swamp surrounded by pine trees until a dam was built in the late teens. Indian burial grounds were also nearby. Chief Mosay lived on this land for his first 12 years until it was requested for development.

Balsam Lake's Main Street experienced rapid growth in the '20s, '30s, and '40s, featuring various businesses and establishments. Indianhead Lodge, constructed in 1939 in just 36 days, became a local landmark known for its comfortable lodge atmosphere and excellent cuisine. Owned by Walter and Dorothy Andersen, Indianhead Supper Club has been serving the community and visitors for 71 years, retaining much of its original decor.

The poster features a Balsam Lake Brewery & Market logo at the top right, which includes a red barn icon. Below the logo are three circular images: the first shows three glasses of beer (red, orange, and yellow), the second shows a woman in a blue top and red skirt behind a bar, and the third shows two men sitting at a table playing cards.

Owners Mike and Christina Gondek had a vision of building a brewery and grocery market for local and out-of-town guests for the village of Balsam Lake. We only want what's best for the city and hope to provide an unforgettable experience with great craft beer, seltzers, domestic beers, wine, and specialty food including produce, meat, dairy, fish, dry goods, meal kits, snacks, and apparel.

Our Grocery Market is fully stocked with produce, meats and cheeses, frozen food, snacks, dry goods and brewery merchandise. The best part is we're going to try to keep everything as local as possible!

Polk County Museum

The Polk County Historical Society, established in 1937, oversees the preservation of Polk County's history and artifacts. Initially based in the 1899 Old Courthouse in Balsam Lake, the Society's museum expanded under the vision of Willis Erickson, who became the curator in 1960. After the county courthouse relocated in 1975, the Historical Society moved its museum to the Old Courthouse, which reopened as the Polk County Museum in 1976. The museum, listed on The National Register of Historic Places in 1982, features a three-story addition built in 2009 for enhanced accessibility. The Society also manages the Balsam Lake Museum and the Lanesdale rural schoolhouse, originally built in the 1880s and relocated in 1965.

The St. Croix River Valley, historically significant and multifaceted, has played various roles throughout time. Initially vital for the Dakota and Ojibwe tribes due to abundant resources, the valley saw conflict between these groups in the 18th century. The region attracted French, British, and American fur trade companies until the early 19th century when the beaver population declined.

In 1837, treaties with the Ojibwe and Dakota opened the valley for non-Indian settlement, leading to commercial logging and agricultural development. The river became a point of contention during Wisconsin's statehood in 1848, as its use as a boundary stirred economic concerns.

Tourism in the 1850s and the establishment of Interstate Park in 1895 marked the valley as a scenic destination. Conservation efforts in the 20th century, along with the designation of the St. Croix River as a protected National Wild and Scenic River in 1968, solidified the region's status as a popular recreational destination with parks, river towns, and lakes.
